

2011 FASHION SHOW
"DANCING FEET HELPING HEARTS"

October 3, 2011

Dear Dancers,

The 2011 Fiesta de la Cuadrilla will be here before you know it, so it's time to find that very special outfit to model in the Fashion Show. The theme for this year's Fiesta Fashion Show is "Dancing Feet Helping Hearts". In other words, it's not really about the clothes, it's about the people in them! So, in addition to the description of your outfit, I will want to know about volunteer work that you do, or a job that serves the community, or the work that you do serving your square dance club. I especially want to know if you have served our country in the armed forces or are, or have been, in the medical or teaching profession.

So, if you have a holiday outfit or new club outfit, or just something that you think is special, please join in the fun. Individuals, couples, children, and families are all invited to model. The Fashion Show will be held at 9:30 a.m. on Saturday, November 5 following the traditional Fiesta brunch.

Please submit the form below as soon as possible so I can begin planning the program. If you would be willing to model an outfit that another square dancer has made, or from one of the vendors, also submit the form.

The outfit descriptions can follow, but would be appreciated by Friday, October 22, however, earlier is always better! Guidelines can be found on the attached pages. In an effort to make this as easy as possible you can catch me at a dance, or e-mail information, or if you would like, just call me and we can also complete the form over the phone. Also if you are thinking about participating but have questions please don't hesitate to give me a call at (858)204-0293.

We are looking forward to a wonderful Fashion Show. Thank you in advance for your participation.
